

Juanita Steenekamp

CA(SA) Project Director: Governance and Non-IFRS Reporting SAICA

Juanita Steenekamp CA(SA) is responsible for Governance and Non-IFRS Reporting advice and services to SAICA members. Part of Steenekamps' portfolio includes dealing with various legislation, and mostly the Companies and Close Corporations Acts. She provides guidance and information to SAICA members and coordinates submissions to the DTI and other state entities.

Further, her responsibilities include that of providing a secretarial function to the Legal Compliance Committee and the eXtensible Business Reporting Language (South Africa) board and working group. Steenekamp was part of the group which compiled the SAICA Companies Act guide. Prior to joining SAICA Juanita worked for Eskom, where, after completing her articles, she was employed as a financial advisor in the financial reporting department.
